

WEST NORFOLK AND KING'S LYNN ARCHAEOLOGICAL SOCIETY

Overview

The Society was established on the 29th November 1967, to facilitate the public understanding of archaeological and historical sites, artefacts and places of interest. The Society has organised fieldwork, site and museum visits and an annual programme of lectures by well-known archaeologists and heritage experts. The Society is the voice of local people and the community regarding the understanding and protection of this area's distinctive landscapes, its historic environment and heritage assets.

We are passionate about Archaeology and Heritage. Perhaps you would like to join us and meet likeminded people? You may even be able to join us in the field!

Would you like to join?

The Society's Offer

The Society provides:

- A programme of annual lectures running from October to April every year
- Summer visits and opportunities, sometimes in partnership with other archaeological organisations, to participate in fieldwork and other heritage-related community outreach
- A forum for people of all ages to learn about the historic environment of the West Norfolk and King's Lynn area and other regionally, nationally and internationally important archaeological discoveries
- A group of skilled and knowledgeable local amateurs and professional archaeologists willing and able to lead on public and local community heritage outreach projects.

Meetings

All meetings for the Society's Annual Lecture Programme are held on the Second Floor of Marriott's Warehouse, South Quay, King's Lynn, Norfolk PE30 5DT, Tel. 01553 818500. E-mail. info@marriottswarehousetrust.co.uk and website www.marriottswarehousetrust.co.uk. All meetings will start at 7:30pm.

Annual Subscription

The Annual Subscription is £15.00, or £7.00 for students (evidence of course required), due to be paid at the first meeting in October each year. This covers access to the programme of lectures and summer visits and community outreach events.

Visit the Society’s Website and Join Us!

We are a friendly Society, all are welcome. We are keen to promote the study of, and interest in, West Norfolk and King’s Lynn’s unique and fascinating archaeology, heritage and historic landscapes. Millennia of human settlement await you to explore. From the deep time, 1,000s of years of prehistoric settlement to Roman roads, medieval villages, round towered churches, shipwrecks, to World War II defences and industrial archaeology. All can be found in West Norfolk - we would be glad to help you on your journey of discovery.
